

REGIONAL TRAININGS ON TRAUMA INFORMED CARE

June 22: Southern California ~ June 23: Sacramento Area
June 24: Bay Area ~ June 26: Northern California

Training Information:

This training will provide participants with an overview of the overwhelming effects of trauma, trauma-informed care, trauma-informed services and the physiological responses to trauma. This training will highlight best practices on trauma issues impacting clients, including veterans, how being trauma-informed changes your perspective of individuals from “what’s wrong with you” to “what happened to you”.

Continuing Education

This training will provide Continuing Education Hours (CEH) for California Association of Alcoholism and Drug Abuse Counselors (CAADAC), Provider Number 5-09-110-0409. Please allow 2-4 weeks to receive your CEH certificate from the CAADAC office.

This training will provide Continuing Education Hours (CEH) for California Association of Addiction Recovery Resources, Provider Number 5001.

In order to receive Continuing Education Hours, participants must select the option on the training registration form. Additional instructions will be provided along with your registration materials upon check-in at the training. The Department of Alcohol and Drug Programs is subsidizing the continuing education fees at no additional cost to the participants.

Note: CEHs are available only to those who participate in the entire training. Partial credit for less than complete participation will NOT be offered.

Registration Information:

Please select the meeting that you are interested in attending and complete the registration process. Registration for the National Center for Trauma-Informed Care (NCTIC) is \$35 per person and must be received no later than one week prior to the training.

Meals will not be provided to attendees who have not made their full registration payment (\$35) at least one week in advance of the scheduled training date.

Attendees Who Participate in this Training Will Learn:

- Defining trauma.
- Principles of trauma-informed care and services.
- Consequences of unresolved trauma.
- Neurobiological mechanisms of trauma.
- Trauma sensitive care and tools specific for clinical settings and diverse populations.

Who Should Attend:

- AOD Substance Abuse Treatment Providers
- County Administrators
- Mental Health Providers
- Policy Makers
- Students

Confirmation

To ensure you receive a confirmation letter and map to the facility, please register one week prior to the NCTIC training that you are attending. Attendees who register late may not receive a confirmation letter and map.

Lodging

Lodging will not be provided at the training site. A list of facilities within close proximity to the training site is available at www.cce.csus.edu/conferences/adp/rttic09/index.htm.
